

Sustainable choices of Amrâth Hôtels

At Amrâth Hôtels, sustainability is of paramount importance. When compiling our menu, we choose sustainable products in addition to quality, taste and presentation. For us, sustainable products are products of which we have traced their origin. We do this together with our suppliers to make better choices for you as a guest but also for the environment. We take sustainable steps, making it easier for you as our guest to make a responsible choice. To guarantee sustainability, our suppliers work with independent quality marks. We also believe that the choice for honest, organic and regional products complement the overall experience of a dish.

Será Amrâth

Será Amrâth or: we are Amrâth! We believe that wine is not just a drink, but a true experience. At Amrâth Hôtels we always strive for excellence in every aspect of our guest experience, and that includes the choice of Será wines.

Why did we choose Será Amrâth? Because we believe that our guests deserve only the best. Será Amrâth reflects the core values of Amrâth Hôtels: quality and hospitality. The choice of this wine and this house was therefore a natural step in our pursuit of offering the most refined and unforgettable experiences to our guests.

At Será Amrâth we go further than just serving wine;
we create an ambiance, a story and a memory that will linger for a long time.
